

VPA IB DP CS — Year 2 Semester 2 Assessment Pack

Year 2 Semester 2 Assessment Pack 评估包 Pínggū Bāo

Focus: Mock examinations, gap analysis, final preparation

1. Mock Examination Schedule

Week	Assessment	Paper	Duration	Marks
10	Mock 1 — Paper 1	SL: 1h30 / HL: 2h10	As per IB	SL 70 / HL 100
10	Mock 1 — Paper 2	1h30	As per IB	SL 60 / HL 65
11	Mock 1 — Paper 3 (HL only)	1h	As per IB	HL 30
12	Mock 2 — Paper 1	SL: 1h30 / HL: 2h10	As per IB	SL 70 / HL 100
12	Mock 2 — Paper 2	1h30	As per IB	SL 60 / HL 65

2. Mock Examination Feedback Protocol

After each mock examination, students receive:

Raw marks within 48 hours

Topic breakdown showing performance by syllabus area

Question-level analysis identifying specific weaknesses

Targeted revision tasks for weakest areas

One-to-one tutorial (10 minutes) to discuss action plan

3. Gap Analysis Tests (Weeks 14 – 16)

Based on mock performance, students sit targeted tests:

Test	Target Group	Content	Duration
Binary Calculations Booster	Students losing marks in 2.4	Integer/floating-point conversions, errors	30 min
Network Security Deep Dive	Students weak in 3.3	Encryption, protocols, firewalls	30 min
Algorithm Design Clinic	Students weak in Paper 2	Pseudocode, trace tables, efficiency	45 min
HL Data Structures Test	HL students weak in Topic 5	Linked lists, trees, graphs	45 min
HL OS Calculations	HL students weak in Topic 6	Scheduling, paging, addressing	30 min
Case Study Application	HL students preparing for Paper 3	Case study linked to syllabus	45 min

4. Final Examination Predicted Grades

Predicted grades are based on:

Mock examination performance (40%)

Topic test trajectory (20%)

IA predicted mark (20%)

Teacher professional judgement (20%)

5. Special Consideration and Access Arrangements

EAL students with approved IB access arrangements may receive:

Extra time (usually 25%)

Bilingual glossary (school-provided, subject to IB approval)

Separate accommodation

Use of computer (if handwriting is a barrier)

Applications must be submitted to the IB Coordinator by the deadline.

6. Post-Examination Support

After final IB examinations:

Results day support (July)

Remark guidance if borderline

University admission support

Alumni network for CS students
