

CURRICULUM OWNERSHIP STATEMENT

Victoria Park Academy Shenzhen — CIE IGCSE Computer Science (0478)

Developer: Connor Scanlan

PURPOSE OF THIS STATEMENT | 声明目的

This document sets out the professional understanding regarding intellectual property ownership of curriculum materials developed for the CIE IGCSE Computer Science (0478) programme at Victoria Park Academy Shenzhen (hereafter "VPA Shenzhen"). It is intended as a transparent statement of professional intent and does not constitute a formal legal contract.

本文件阐述了就深圳维多利亚公园学院（以下简称"VPA Shenzhen"）CIE IGCSE 计算机科学（0478）课程所开发的教学材料的知识产权归属达成的专业共识。本声明为专业意向的透明表述，不构成正式法律合同。

OWNERSHIP OF MATERIALS | 材料所有权

Upon commencement of employment at VPA Shenzhen, all curriculum materials developed by Connor Scanlan under this IGCSE Computer Science (0478) programme shall become the exclusive property of Victoria Park Academy Shenzhen.

This includes, but is not limited to:

- All lesson plans and scheme of work documents
- Student worksheets, handouts, and activity booklets
- Formative and summative assessment materials
- Mark schemes, grading rubrics, and examiner-style commentary
- Bilingual glossaries (English-Chinese) and vocabulary resources
- Digital materials, presentations, video scripts, and online resources
- Revision guides, practice examination papers, and model answers
- Any derivative works, adaptations, or future iterations thereof

自 Connor Scanlan 受雇于 VPA Shenzhen 之日起，其为本 IGCSE 计算机科学（0478）项目所开发的所有课程材料将成为深圳维多利亚公园学院的专有财产。

这包括但不限于：所有教案和工作方案文件、学生练习册、讲义和活动手册、形成性和总结性评估材料、评分方案和评分标准、双语词汇表（英中）和词汇资源、数字材料、演示文稿、视频脚本和在线资源、复习指南、模拟试卷和模范答案，以及任何衍生作品、改编版本或其未来的迭代版本。

CONTEXT-SPECIFIC DESIGN | 针对特定情境的设计

All materials are designed specifically for VPA Shenzhen's student body: Chinese EAL (English as an Additional Language) learners in a bilingual international school environment. The pedagogical approach, cultural references, bilingual scaffolding, and pacing reflect the unique needs of this cohort and context.

所有材料均为 VPA Shenzhen 的学生群体专门设计：即双语国际学校环境中的中国 EAL（英语作为附加语言）学习者。教学方法、文化参考、双语支架和教学节奏均反映了这一学生群体和环境的独特需求。

FUTURE ADAPTATION BY VPA STAFF | VPA 教职员工的未来调整

VPA Shenzhen retains full rights to adapt, modify, develop, and redistribute these materials for internal educational use without restriction. Future members of the Computer Science department, as well as collaborating faculty, are explicitly encouraged to build upon, refine, and extend these resources to meet evolving student needs.

VPA Shenzhen 保留完全的权利，可为内部教育用途无限制地调整、修改、开发和重新分发这些材料。明确鼓励计算机科学系的未来成员以及合作教员在这些资源的基础上进行建设、完善和扩展，以满足不断变化的学生需求。

NO VENDOR LOCK-IN | 无供应商锁定

This statement is offered to reassure VPA Shenzhen leadership that there is no dependency on any external individual or vendor for the ongoing delivery of this programme. All core documentation is stored in accessible formats, with clear organisation and comprehensive teacher notes, ensuring continuity of provision regardless of staffing changes.

本声明旨在向 VPA Shenzhen 管理层保证，本课程的持续实施不依赖于任何外部个人或供应商。所有核心文件均以可访问格式存储，具有清晰的组织和全面的教师注释，确保无论人员如何变动，课程都能持续进行。

ACKNOWLEDGEMENT | 确认

This statement reflects a mutual commitment to transparency, institutional continuity, and the best interests of VPA Shenzhen students.

本声明反映了对透明度、机构连续性和 VPA Shenzhen 学生最佳利益的共同承诺。
