CRITICAL ALIGNMENT STATEMENT | 关键对齐声明

This reporting calendar is designed to align with VPA Shenzhen's existing communication and reporting systems. All templates and schedules can be adapted to meet the school's current reporting framework without disruption.

本报告日历旨在与 VPA 深圳现有的沟通和报告系统保持一致。所有模板和时间表均可进行调整，以适应学校当前的报告框架，不会造成中断。

Key Principle | 关键原则:

These documents supplement — not replace — VPA's established reporting structures. Data from Computer Science assessments feeds into existing school reports, parent portals, and communication channels.

这些文件是补充——而非取代——VPA 已建立的报告结构。计算机科学评估数据汇入学校现有报告、家长门户和沟通渠道。
